

Hello Cedar Point Resort and Campground Friends and Family,

Mike and I hope you are all safe and healthy! First and foremost, we want to **thank you** so very much for bringing your family to Cedar Point Resort this year. As challenging as 2020 was, we were able to power through the challenges and start preparing for 2021. We owe much of the success of 2020 to our guests.

With the success of summer, we had to make some difficult decisions with regards to the length of your vacation. We will continue to request an additional 24 hours between guests to clean cabins this season. As of today, we will plan to keep the following arrival and departure guidelines:

- **Weekly rentals**
  - Saturday arrivals: depart by noon on the following Friday.
  - Friday arrivals: depart by noon on the following Thursday.
- **Non weekly rentals and shoulder season weekly rentals:**
  - If there is no one booked the day of your departure date, we will discuss the departure day with you and the departure time will be by 9:00am.
- Remember, Cedar Point Resort cabins are based on a daily rate however after on the 5th day the weekly (reduced) rate is applied, there is no refund for the changes.
- Cedar Point Resort guest will continue to “check in” at the cabin you have rented. Upon arrival, you can go directly to your cabins and bypass the traditional lodge check in. We will be sure your cabin has all the necessary paperwork and arrange for pick up once you are comfortable and settled. We really enjoyed taking the time to talk with you all individually after you arrive to your cabin.
- Check in times will remain staggered, you will receive an email approximately 1 week prior to your vacation with your check in time. We are able to offer earlier check in times and will let you know your time and we will do our best to flex your check in time to accommodate with your family and/or friends in mind.
- We will continue to provide cabins with some cleaning supplies to help you feel more comfortable with cleaning while on vacation with us. If you would like to bring your own cleaning supplies, you are welcome to.

## New “fun” next year at Cedar Point Resort and Campground

- BINGO was a hit this year and will be back for 2021. 😊
- Tie dye shirts will be offered to families as an activity in 2021.
- Smores and roasted donuts will be provided to each cabin to use at the firepit(s), upon request.
- Yoga will be back for 2021 😊
- We are planning to bring wine tasting during the peak summer weeks, if allowed in 2021
- Cinnamon rolls can be ordered by Monday evenings and delivered to your cabin on Tuesday mornings, between 8:30 am and 9:00am. **We made nearly 1,000 cinnamon roles in 2020!**
- We will be purchasing a new water toy for you to enjoy in 2021.
- **We are in the process of finalizing bids for the NEW POOL! We are extremely excited to be bringing this excitement to you all.**
- **We have sold the older pontoons and plan to purchase new 1 or 2 new pontoons to add to our fleet of pontoons, for your family to enjoy.**

We have experienced increasing credit card fees and we are challenged with how to handle the fees. Starting today, we will be charging 4% on all credit card transactions. This is a difficult decision for us to make however we feel this is best for our resort. We continue to accept credit cards, checks and cash and appreciate your understanding of this change.

Thank you so very much for all the awesome memories we experienced with you this summer. We are looking forward to 2021 and can't wait to see you all again soon.

Stay safe and healthy,

Mike & Tracy Boldt
